SECRET AGENT SOCIETY

**Empowering Kids to
feel happier, calmer,
braver, make friends
and keep them!**

**A revolutionary
program for children
8-12 years with
social and emotional
challenges.**

How can Secret Agent Society help my child?

Secret Agent Society (SAS) is a breakthrough social skills approach for 8 to 12-year-old children, with a range of different social and emotional challenges. SAS has fun, espionage-themed resources and program that helps children learn how to feel happier, calmer and braver. It also teaches them how to make friends and keep them.

- High functioning Autism / Asperger's Syndrome Anxiety Disorders
- Attention Deficit Hyperactivity Disorder (ADHD)
- Anger management difficulties
- Other general challenges with friendships, team work, conversations or staying calm

SAS was authored by Clinical Psychologist Dr Renae Beaumont, and is regarded as one of the most successful programs of its kind in the world. You and your child can benefit from SAS through a number of options:

Fun, ready-made, interactive games

SAS teaches my child to:

- Recognise simple and complex emotions in themselves and others
- Express their feelings in appropriate ways
- Cope with feelings of anger and anxiety
- Communicate and play with others
- Understanding levels of friendship
- Cope with team work, games and 'losing'
- Cope with mistakes and transitions
- Cope with mistakes and transitions
- Build and maintain friendships
- Solve social problems
- Detect the different between accidents, jokes and nasty deeds
- Detect and understanding bullying
- Prevent and manage bullying and teasing
- Acknowledging personal strengths and goals

**The hard work is
already done!
Just have fun!**

The entire program is designed to captivate kids while they learn social skills and emotions in a fun way!

The program structure and program materials provide a consistent and effective approach for services.

Evidence-base for Autism, ADHD, Anxiety, Anger. The Secret Agent Society holds the highest clinical change published for a program.

Raising a child who struggles with emotions and friendships can be challenging.

**SAS makes
life easy!**
